

SUBJECT: **Used Lumber**

EFFECTIVE DATE: October 25, 2010

INTERPRETATION NUMBER: ADM – 1.2303 (FORMERLY 1.2304)

SEE ALSO: 2006 IBC – Section 2303

INTERPRETATION SUMMARY

This section of the code requires that all wooden structural building materials be appropriately identified with proper grade stamps. This Department will allow the use of used lumber in nonstructural applications such as sheathing, backing or blocking provided it is in good condition.
